

**We have the best campground!!! AND We have the best members!!!
We need Volunteers!**

Consultant: A New Volunteer Experience

We have so much talent and experience among our owners that is not being used. We would like to develop a list of people willing to use their education, previous experience and job skills as volunteer consultants/workers if you would be willing to share your expertise, experience and assistance.

Janet Templeton has offered to put this information into a database that could be accessed when help is needed. Be assured that this information will not be given out or shared with the general membership. It will be kept in the office to be readily accessed by the Board. If you would be willing to share your expertise and experience, please fill out the following information so that we may be able to contact you . Mail or email this information to Janet Templeton, PO BOX 705, Aripeka, Fl, 34679 or email: happysnowbirds@yahoo.com
