

Unicoi Springs Hosts Grand Opening

Unicoi Springs Camp Resort Held a grand opening, Friday, September 28 to show off their new clubhouse and swimming pool. The facilities were very impressive but they were only the beginning of proposed amenities that will truly make this facility a unique camping resort when completed.

Unicoi Springs is an offspring of time-sharing condominium ownership in which the campground will eventually be owned by 2400-3000 owners. The 300 sites will be spread throughout the gentle terrain of the resort and surround a variety of amenity clusters.

The amenity list is long and rep-

resents a diverse selection of activities that campers may wish to enjoy. This includes tennis courts, a lake with fishing, canoeing, and paddle boats, putting greens, hiking trails, basketball, horse-shoes, etc. If that's not enough you will be right next door to Unicoi State Park and the expansive Chat-tahoochee National Forest.

Unicoi Springs is open seven days a week year round. It is located 2 miles East of Robertstown. Stop in at their Helen reception center next to the Helendokorf Inn. They will be happy to take you on a tour of their facilities and explain their ownership plan.

This press release was discovered inside the cover of one of the Owner's Photo Albums out in the Clubhouse. It was dated 9/28/84 by the person who placed it there. We are guessing that it appeared in the White County News and Telegraph.
